

# Tuatapere Bioblitz

We can't wait to host locals & community groups as they explore the magnificent **Tuatapere** on **28 February**.

---

## What is a Bioblitz?

It is a scientific race against time to count as many different species in the reserve as possible.

Organised group activities will run at Waiau Area School from 9am through to 3pm.

At 7pm, on the Domain there will be an update of observations so far and evening activities including bat spotting, a spider search and moth trapping will begin from 8pm.

Participants should bring their own food and water for the day. A sausage sizzle will be provided for participants starting at 7pm.

---

For more info or to register go to [www.es.govt.nz/bioblitz](http://www.es.govt.nz/bioblitz) or contact biodiversity officer Catriona Gower on 021 400 843.
